ÖNSÖZ

Karikatür; olayları mizahi açıdan ele alan, gerçekliğinde çarpıcı mesajlar veren, gerekçiğinde eğlendiren görsel bir iletişim sanatıdır. Karikatürcü de gazetelerde, dergilerde, galerilerde, televizyonda, bilgisayarda internet ortamında anlatmak istediklerini çizgi cılıyla halka sunan kişidir.

Bugünkü anlamıyla ortaya çıkan karikatürlerin başlangıcı 17. yüzyıldır. Önceleri sadece kişilerin portreleriyle ilgilenen bu sanat, daha sonra olayları, sosyal konuları ele almış ve bu gelişmeler sırasında çizgi anlayışı ve teknik açıdan da değişimler göstermiştir. Baskı makinasının gelişimine paralel olarak karikatür daha da yaygınlaşmıştır. Karikatür, siyasal, sosyal, kültürel, ekonomik, sanatsal, felsefi, edebi her konu ile ilgilenmektedir. Gazete karikatürleri kronolojik olarak zannediğinde ülkenin tarihini, siyasal ve sosyal yaşamındaki değişimlerin, toplumsal aksaklıklarını gözlemek olsadır. Bir bakıma çizgiyle tutulmuş "günük tarih" anlamındadır.

Karikatürün altın çağı 20. yüzyıldır. Gerek dünyada gerekse Türkiye'de bu sanatın çok iyi örnekler verilmiş, iyi ustalar yetişmiş, halkın da bu sanatçıları desteklemiştir. Halkın en yakın sanat, karikatür sanatıdır, dense yanlış olmaz. Anadolu Üniversitesi Karikatür Sanatını Araştırma ve Uygulama Merkezi, Turizm Yazalarları ve Gazetecileri Derneği (TUYEDİ) ile Anatolia: Turizm Araştırmaları Dergisi'nin işbirliği içinde düzenlenen "1. Uluslararası Turizm Karikatürleri Yarışması" hem halkın ilgisini çekmek, hem de bu sanatla uğraşanları desteklemek amacıyla yapıldı. Yarışmaya 145 ülkeden 269 sanatçı 599 karikatürünü bu yarışmaya gönderdi. Uluslararası bir jüri bu eserleri değerlendirdi. Yarışma sonuçlandıktan sonra haber olarak duyurulduğunda bazı internet siteleri örincilik alen karikatürün benzerinin daha önce çizildiğini öne sürdüler. Bu tür benzerlikler ceha önce de bir çok yarışma karikatürünün başına geldi. Bu benzerlikler bir noktaya kadar olağan karşılaşmak mümkündür. Jüri üyeleri her üzü bu konuda bir karara varmadan, eserin sahibi duyarlılık göstererek müdahale etti. Bu sayıyla karşılıcılık ve örincilik ödülü iptal edildi.

Büyüğüm organizasyonunda ufak hataların olmasını ilk olmanın neyeçanına vermek gerek. Bunun yanında başta Kültür ve Turizm Bakanlığı olmak üzere, Kay Group, Magic Life, Aker Tourism, Saga Airlines, The Madison Hotel, Art City Hotel, Eytel Hotel, TUREB ve İstanbul Kültür ve Turizm Müdürlüğü çok yardımcı oldu. Üstüne de uzak yollardan gelerek çok yaradılar. Tümüne teşekkür ediyoruz.

2. Uluslararası Turizm Karikatürleri Yarışmasında buluşmak dileğimle...

FOREWORD

Cartoon is a visual communication art which takes facts from a humorous perspective, gives striking messages and entertains when necessary. Cartoonist is the person who expresses his opinions in the form of drawings by means of newspapers, journals, exhibitions, televisions and internet.

The cartoon work of today's emerged in the 17th century. In its early times, this art dealt with the portraits of people but then its fields of interest diversify to critical incidents and social events. Together with this wind of change, cartoon work also changed in terms of its drawing styles and technical aspects. In accordance with the development of printing machine, cartoon became more widespread. Cartoon deals with political, cultural, economical, artistic, philosophical and literary subjects. When newspaper cartoons are monitored chronologically, it is possible to observe a country's historical, political and social changes, social troubles and contradictions. In this regard, cartoon is a daily chronicle in the form of drawings.

The golden era of cartoon work is the 20th century. Valuable samples of cartoon art are present both in Turkey and in the rest of the world. Also, successful artists grew up and community supported these artists. It would not be wrong to say that cartoon is the most popular art for society. The 1st International Tourism Cartoon Competition, which was held with the cooperation of Anadolu University Research Center for Culture Art, Association of Tourism Writers and Journalists (TUYEDİ) and Anatolia: A Journal of Tourism Research, aimed to attract the attention of society and to support cartoonists. Attention to the competition was more than what was planned. 269 cartoonists from 50 countries submitted 599 works to this competition. An international selection committee evaluated these cartoon works. With the announcement of the event as a news after the completion of competition, some of the web sites claimed that the author of grand award winner had been drawn somewhere before. This kind of coincidences was also experienced by many other competition cartoonists before. It is possible to take these coincidences for granted to a certain degree. The grand award winner returned the award sensitively before the selection committee's debate on the topic was completed. The decision was accepted with respect and the grand award was cancelled.

The minor failures in competition's organization can be the culprits of excitement of being the first. Besides this, we acknowledge the support of Turkish Ministry of Culture and Tourism, Kay Group, Magic Life, Aker Tourism, Saga Airlines, The Madison Hotel, Art City Hotel, Eytel Hotel, TUREB and İstanbul Culture and Tourism Department.

We wish to see you in the 2nd International Tourism Cartoon Competition...

Anadolu Üniversitesi Eğitim Karikatürler Müzesi, Eskişehir Odunpazarı SIT Alanı içinde Ataturk Lisesi'nin yanındaki binada 17 Aralık 2004 tarihinde açılmıştır.

Binanın yapım tarihi tam olarak bilinmemekle birlikte 1900'lerin başında yapıldığı tahmin edilmektedir. İki katlı olan yapı 1980'li yıllara kadar konut olarak kullanılmıştır. Zemin katta bir ana salon ve üç oda, üst kat ise sofa ve beş oda mevcuttur. Toplam yaşı alanı 265 m²'dir. Yapım tekniği ahsap karkastır. Müzenin küçük bir de bahçesi vardır.

Yazılı Anadolu Üniversitesi tarafından Karikatür Müzesi olarak restorasyonlu olmuştur. Yapıın özgün kimliğini korunmasına dikkat edilmiş ve Odunpazarı yapı dokusunun yaşatılması için katkıda bulunmak amaçlanmıştır.

Muzede; Daimi sergi, değişken sergi bölümleri, portreler odası, Türk karikatür ustaları odası, Eskişehirli karikatürcüler ocağı ve katalog bölümleri bulunmaktadır.

Eğitim Karikatürler Müzesi; 5 Eylül 2002 tarihinde kurulan Anadolu Üniversitesi Karikatür Sanatı Araştırma ve Uygulama Merkezi'nin yan kuruluşu olarak hizmete girmiştir. Araştırma Merkezi; bu alanda Türkiye'de kurulmuş ilk merkezdir.

Muze açılmadan önce yapılan çeşitli etkinliklerde toplanan karikatür birikimi, daha sonra müzede sergi açan sanatçılardan bağışları, çeşitli yarıyma organizasyonlarının bıraktığı karikatürler 1500 orijinal karikatür arşivi oluşturmuştur. Yurt içinden ve yurtdışından müzenin kuruluşunu duyan kişi ve kuruluşlar orijinal karikatürlörini bağışlamaya devam etmektedir. Dünyanın her yerinde bu tür müzelerin başlıklarla oluşturulmuştur. Müzemiz bu başlıklarla daha da zenginleşecektir.

Karikatür Müzesi içinde karikatürler dışında karikatür üzerine yazılmış 1200 kitap, album ve süreli yayınların bulunduğu bir katalog bulunmaktadır.

ANADOLU UNIVERSITY MUSEUM OF CARTOON ART

The building which now houses the Museum of Cartoon Art was built in the early 1900's and was originally used as a residence. It is a two-story building with an area of 265 square meters. The building is a typical wooden "Eskişehir" house located in the area where the city was first founded.

The Museum, the first of its kind in Turkey, is a part of the Research Center for Cartoon Art. In the museum, there are two separate exhibition halls for permanent and temporary exhibitions, in addition to portrait hall, halls for local cartoonists and Turkish renowned cartoonists. The museum also houses a library and spaces where artists can work.

The cartoons in the archive will be exhibited in the permanent exhibition hall. The works of cartoonists from Turkey and abroad will also be exhibited in the temporary exhibition hall. Through the changing exhibitions the changes in cartoon art will be exhibited which will lead to a constantly developing museum.

The library in the museum will be available to researchers.

Books, postcards, posters and souvenirs will be on sale at the museum.

As it is the case all over the world, museums are able to increase the number of their collection through donations and contributions from artists. The museum welcomes contributions from cartoonists all over the world.
